**Alberto Apostoli**  
Founder

**A**postoli Wellness Creators represents international excellence in wellness creation and design for spas and luxury hotels. With over 1,000 projects in more than 30 countries across nearly 30 years, Apostoli has been recognised for the quality of its projects and the professionalism of its services with more than 80 international awards.

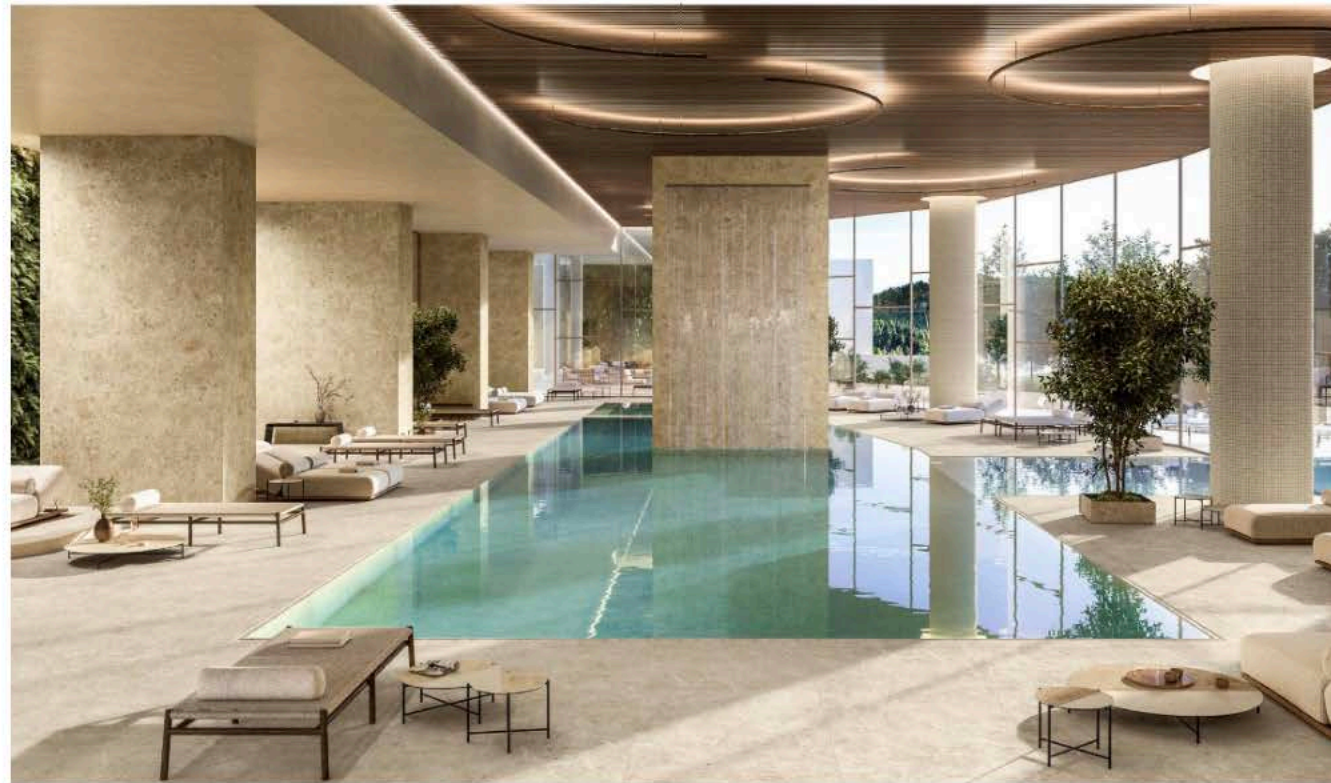

Apostoli's work includes iconic creations for leading brands such as Lefay Resorts, Cipriani Group, Four Seasons, Accor Hotels and Jacuzzi, as well as many other prominent public and private clients.

Alberto Apostoli, who has been leading the studio since 1997, has recently expanded its offering by creating complementary brands that form the Apostoli Group.

Armonia Wellness Solutions provides consulting and direct spa management ([armoniawell.com](http://armoniawell.com)); Escape – Integrated Wellness Design delivers solutions across multiple sectors ([escapedesign.it](http://escapedesign.it)); and Apostoli Design transforms wellness elements into industrial products ([studioapostoli.com](http://studioapostoli.com)).

### PRODUCTS & SERVICES

Apostoli Wellness Creators is an international leader in spa design, contributing iconic interiors, innovative products, research and promotion activities. Apostoli accompanies clients from initial strategic consultancy to the communication of completed work, remaining a partner throughout the

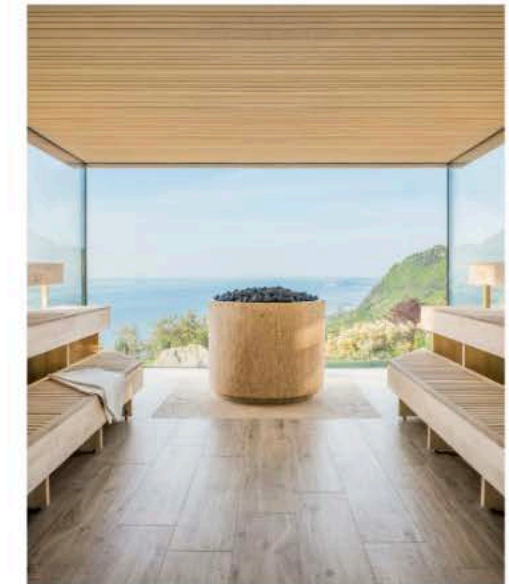

project's life. This is made possible through the integration of design capabilities with consultancy services, guiding clients in strategic management, positioning and communication choices. Apostoli has realised hundreds of projects across four continents, representing varying typologies and scales.

### LATEST LAUNCHES

Recently, Apostoli Wellness Creators has completed work on several important European projects, including the new Lefay Sky Pool Villas at Lake Garda resort

“We craft spaces where the soul of a place meets human serenity, creating timeless havens of harmony, beauty and inner wellbeing.”
